***Welcome to the Campbell Center!***

### ***Basketball Game Day Guidelines***

1. You will be given ample time to warm up on the floor prior to your game. Warming up anywhere else in the building is prohibited. Your team may stretch in the Northeast or Northwest corner of the floor adjacent to your dressing room. No balls may be used on the floor level, stands, foyer or concession areas while the preceding game is taking place. Shooting on the court during halftime of a preceding game is prohibited. No balls should be bounced off the acoustic wall tile at any time.
2. Basketballs are available for your use. They are placed in two portable carts behind the score table. We ask that if the Arena's balls are used that none of your team balls be taken out. This will eliminate any confusion.
3. You may drop your team off in front of the building. You should park your bus in the parking lot on the East side of the building near the baseball field. This is very important especially on nights when other events are taking place in the athletic complex or your bus may get blocked in.
4. Teams should enter the building through the glass doors on the ground level, and proceed to the doors located on the Southeast corner of the Arena floor to enter.
5. Upon entering the Southeast corner of the Arena, all team members shall proceed down the East side of the Arena floor behind the Press Table to the North End seating area. Do not walk in front of the benches or score table. No student-athletes will be admitted through the admission gate. This procedure applies to teams that arrive as a group or individually.
6. Participating student-athletes must be seated in the North End with their team. The North End will be reserved for participating teams only. No one else may be seated in this area. This procedure applies to teams that arrive as a group or individually.
7. Only teams, officials, and game workers are allowed on the Arena floor. All others should enter the building on the second level by way of the walk-up ramps at the front of the building.
8. Fans of the Home team will be seated on the West side of the Arena. Fans of the Visiting team will be seated on the East side of the Arena. On nights when fan attendance is expected to be low, only the West side seating area of the Arena will be used.
9. The four Arena and Fieldhouse dressing rooms are located on the north end floor level of the arena. The team designated as home team will dress on the Northwest side. The team designated as the visitor will dress

on the Northeast side. Dressing rooms will be assigned. We ask that you not leave any belongings in the dressing rooms.

10. The team designated as home team will sit on the North Bench, and the team designated as visitor will sit on the South bench. Water and cups are provided for teams on their bench.
11. Power outlets are available on the concourse level at mid-court on the East side. You may film from this location. No one is allowed to film from the floor level.
12. No one is allowed on the floor except team members and coaches. This includes players in uniform, coaches, managers, athletic trainers, and athletic directors. All others will be asked to remain in the stands at all times. Children under the age of 12 are not permitted on the floor.
13. We ask that no hard-soled shoes be permitted on the floor.
14. Hand held signs are the only type permitted. No signs may be suspended or fixed to any part of the facility.
15. Cheerleaders are permitted on the floor level. They must remain on the side of the floor behind their team's goal.
16. No souvenir items (t-shirts, towels, etc.) may be sold at the facility without consent from the athletic directors of both participating schools.
17. Objects are may not be thrown into or out of the stands
18. No outside food may be brought into the facility. Concession stands are located under the stands on both the West and East sides of the Arena.
19. Aldine I.S.D. is tobacco free. No tobacco use of any kind is permitted on school district property.
